

Business Cash Advance

The funding you need, when you need it, paid back when your customers pay you.

What is it

- Funding from £2,500 - £300,000
- One fixed cost, with no APR, harsh varying terms or penalty fees
- Flexible and painless repayments that support cash flow
- A quick, easy and no hassle onboarding process
- Assistance from our expert team

How it works

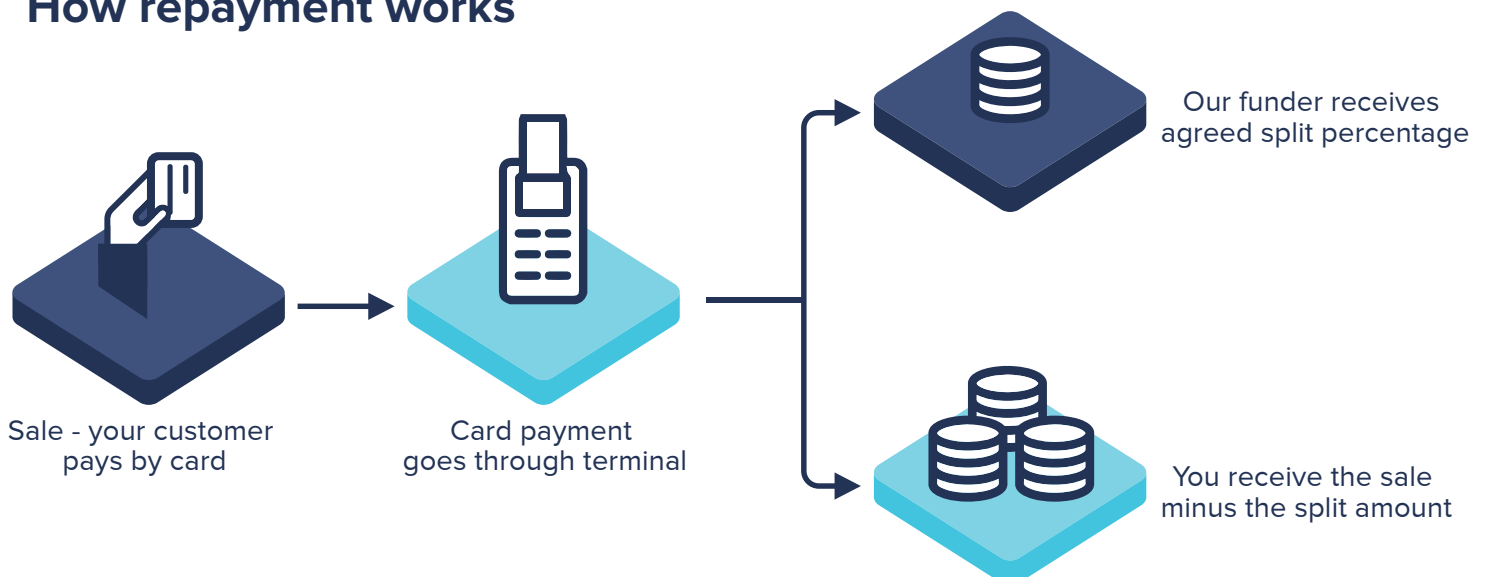

- 1 Our funding team look at your individual circumstances and provide a quote for funding, based on your business potential
- 2 Once approved and agreed we put the funds in your account
- 3 An agreed percentage is taken from each customer card transaction, until the funding amount and fee is paid off
- 4 You can enjoy the funding and remain totally focused on your business, whilst the payments take care of themselves
- 5 Once paid off, you could have funding all over again

Who's it for?

Businesses who:
Take over £2.5k+ per month in card takings
Need a cash injection but want flexible repayments
Have been trading over 4 months

How repayment works

Great reasons to buy

- 1 Get a fair price based on the profile of your business
- 2 Plan ahead with confidence knowing the payments take care of themselves
- 3 Get back to running your business, with funds in your account quickly
- 4 You're likely to hear a "yes"! We have higher approval rates than the banks
